Mott Community College

Early Admit/Dual Enrollment High School Students

Early admission to Mott Community College is available to any high school student who meets the following criteria: The student is pursuing a high school diploma and has a minimum cumulative 2.5 grade point average; The student has the signed permission of the parent or guardian, high school counselor and principal (parts 1–4 of Dual Enrollment/Early Admit Certification form). Exceptions can be made for those students the counselor or principal believe will benefit from an early college admission experience. Students are limited to course limitations as established by the State of Michigan, courses approved by their high school and must maintain a minimum 2.0 GPA in each college course as well as in the high school courses. Students may enroll in subsequent semesters by submitting a new Dual Enrollment/Early Admit Certification for each semester.

Dual Enrollment through the State of Michigan is available to qualifying high students starting as early as 9th grade through the 12th grade. Eligible students are those students who have met the requirements for an endorsed diploma in a subject area of the High School Proficiency Test. A student in the 12th grade would be eligible under this bill for courses in the subject area in which the student has completed the requirements for an endorsed diploma, computer science, or foreign language courses not offered by the school and fine arts program as permitted by the district. For more information go to: www.michigan.gov search, dual enrollment.

Eligible Courses are as follows:

The course is not offered by the school district; or is a course offered, but not available due to a scheduling conflict beyond the student's control as determined by the board of education.

An academic course that is not ordinarily taken as an activity course.

A course that the post-secondary institution normally applies toward satisfaction of degree requirements.

A course not in the subject area of hobby craft, recreation, physical education, theology, divinity or religious education, including but not limited to Philosophy of Religion.

Tuition and Fee Support

The school district is responsible for the lesser of:

The tuition, mandatory course fees, materials fees and registration fees required by the post-secondary institution, and any late fees that result from the school's failure to make a required payment.

The state portion of the student's foundation allowance, adjusted to the proportion of the school year they attend the post-secondary institution.

High school students are not eligible for federal financial aid. The student is responsible for transportation as well as any tuition, fees, books and supplies that are not paid by the school district. Additional criteria apply.

Requirements: ALL HIGH SCHOOL STUDENTS APPLYING AS EARLY ADMIT OR DUAL ENROLLED STATUS MUST/WILL:
